

Partner Guidelines for Club Outings

The intention of this document is to help the passenger/partner understand what good etiquette to practice with the boater.

Passenger should:

- Be on time at the predetermined meeting place
- Share automobile gasoline costs for trip to & from the lake
- Share daily launch fees
- Share gasoline costs for boat use that day
- Help with the boat/vehicle launching and taking the boat out of the water
- Share daily bait expense
- Share toll fees
- Help clean out the boat after your day on the water
- Help canvas the boat and secure for trailering
- Other costs or tasks both parties agree to share BEFORE the trip
