Phil Gutmann - Muske "62 Guide Service
Strategies For Lake Geneva Muskies

Whether it is Musky fishing in the Midwest or Canada Phil Gutmann has been chasing these monsters since 1986. He has had the pleasure of meeting and becoming acquainted with many new friends and businesses involved in the muskie fishing industry.

Phil's #1 goal is to continue to provide musky anglers from all over North America the educational and fishing information they seek in becoming better muskie anglers not only here in Northeast Illinois but also from other muskie fisheries he frequent in Wisconsin, Indiana,

Michigan, Minnesota and Ontario Canada.

Phil has been kind enough to talk about a growing new fishery for Muskies, Lake Geneva. It will certainly be one of the first opportunities to listen to a true Musky Hunter and how he attacks a lake like Geneva. This should certainly be an interesting topic and one that will definitely grow as the Geneva Muskies grow!
