**Captain Walt Koch – Red Rock Guiding Service**

***Where and How to Fish Delavan Lake***

Captain Walt is the owner/operator of Red Rock Guiding Service, LLC; a multi species fishing guide service on local area lakes and rivers. He spends 100+ days on the water each year on Geneva, Delavan, and the Fox Chain O' Lakes from late March through late November. Walt has been fishing Geneva and the Fox Chain since 1983.

Walt has been involved in the outdoors his entire life. Starting as a child in the Boy Scouts and 4-H clubs, he loved fishing, hunting and all outdoor activities. He grew up in the SE Illinois town of Breese. By the age of 16, Walt was training upland hunting dogs and guiding clients hunting upland game on the family hunt club near Breese.

Red Rock Guiding Service, LLC specializes in custom guided fishing trips for walleye, bass, pike, and panfish. In addition to the fishing charters, Walt conducts seminars and participates in sport shows in the Chicago and Milwaukee areas. On the water fishing instruction, boating instruction, and boat tours are also available. Koch also fishes regularly for walleye, bass and pike in the Great Lakes, Minnesota, Ontario, and Door County, WI. He is on the Pro Staff of BRP-Evinrude and the Guide Staff for St. Croix Rods.

Captain Walt will share how he fishes for many different species of fish on the very popular Delavan Lake...both locations and many successful techniques. Make sure to bring your notepad!
