Paul Beran – LGFC Club Member

Spring Strategies For Finicky Geneva Bass

Paul Beran grew up in northern Illinois and many days of his youth were spent exploring the Fox River. He eventually discovered Lake Geneva, Wisconsin 30 years ago. Paul has fished Geneva as a tournament angler and fishing guide as well as an avid angler with his friends. He is a member of Walleyes Unlimited and is a long - time member of the Lake Geneva Fishing Club.

Beran has actively studied Geneva's lake structure and fishing patterns to develop seasonal techniques. His experience expanded over the years to include many of the upper Midwest's hottest seasonal bites to make him a well-rounded versatile angler.

Paul has a passion for both speaking and teaching people about fishing, He will devote the next stage of his fishing life to develop a series of educational fishing presentations based on seasonal patterns. His first installment in the series is named *Spring Strategies for Finicky Lake Geneva Bass*.

Beran will explain his step by step process for targeting bass that an angler of any experience level can apply to both largemouth and smallmouth. His main focus in this presentation will be finesse strategies for these highly - pressured fish on a clear body of water. With the amount of fishing pressure Lake Geneva receives, Paul's tactics will help others to learn and enjoy the outdoor experience of fishing and to catch more fish.

Club Meetings are on the 2nd Wednesday of each Month, March - November

Cabela's

**5225 Prairie Stone Parkway
Hoffman Estates, IL 60192**

Guests

**Are Always Welcomed at our Meetings
Fee is \$10.00 | New 5:30 PM Start!!!**
