Captain Doug Kloet's Guide Service
Fall Muskies – Tactics for Local Lakes

Doug Kloet is a US Coast Guard Licensed Charter Captain. He has over 20 years of guiding experience on the highly pressured waters of S.E. Wisconsin and N.E. Illinois. Kloet concentrates on the waters of Geneva Lake, Fox Chain O'Lakes, Silver Lake, and Lake Michigan. While Doug specializes in muskies, he also guides for most species present on the lakes where he guides.

All guide trips include fishing out of a fully rigged Ranger boat with a Mercury outboard, Minn Kota trolling motor and Humminbird electronics. Each outing consists of using the finest equipment available from Frabill, Pure Fishing products and Cortland fishing line.

Kloet will be explaining his *Sudden Attack Sucker System* (Quick Strike) which he sells along with other fall muskie tactics. With Geneva's recent exploding muskie population, with many fish over 40 inches in a few short years, you will have the opportunity to learn some traditional tactics for catching these beautiful monsters this fall. Doug will also share tidbits on catching other species on Geneva this fall.

You might want to peruse and learn more about Doug and his guide business at <http://www.dougkloet.com/> and see some photos of fish he and his clients caught recently.
