Jim Tostrud of Wildlife Visions

TIPS & TECHNIQUES FOR GENEVA MULTI-SPECIES

Jim Tostrud is an accomplished Hunter, Fisherman, Wildlife Artist, and Video Producer. He grew up fishing Lake Geneva for most species that swim in the lake.

Jim provides fishing guide services on Southeast Wisconsin's finest fisheries, specializing on Lake Geneva. He grew up fishing on Lake Geneva and has over 30 years' experience finding the big ones.

Tostrud's favorite species are well...all the species that swim in Geneva. So, whether you want to target bass, pike, panfish, or even walleyes now that they are coming back, JT as he's called by many, can be your go-to guide no matter what you want

to target. He relishes seeing his clients experience a great time on the water. While he enjoys sharing time on the water with people of all ages Jim really loves family trips and turning the kids on to our great sport of fishing.

Jim is also a nationally recognized wildlife artist and has been the Host of *WILDLIFE VISIONS OUTDOORS TV SHOW*. Learn more about Wildlife Visions at <http://wildlifevisions.net/>
