We are trying something NEW... a joint outing with two clubs; the *Lake Geneva Fishing Club* and *Walleyes Unlimited USA*. The goal is to learn from each other. Jim Bloede and Bob Clark (members of both clubs) will be coordinating the outing. If you plan to fish the outing, please email Bob at [robtmclark@aol.com](mailto:robtmclark@aol.com) or call Bob at 847-274-8247 or Jim at 630-878-9410.

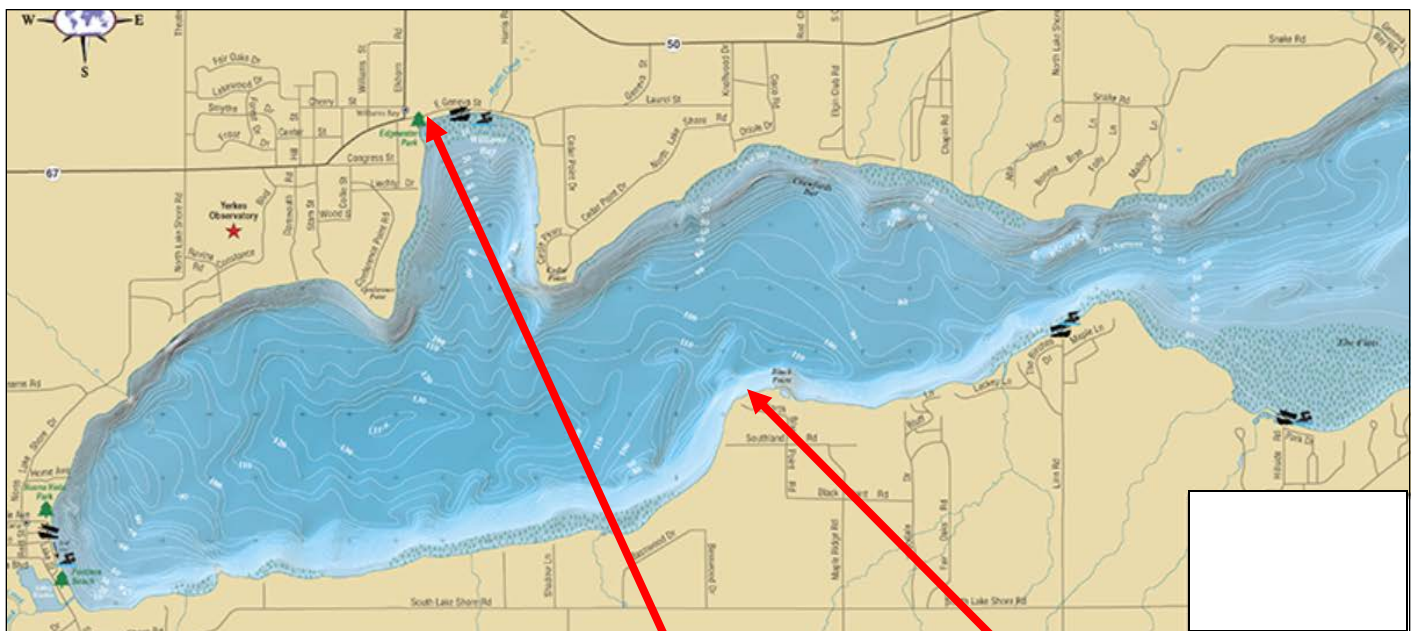

Launch were you'd like, but Bob (Silver Lund) and Jim (White Lund) will launch at Williams Bay about daybreak. We plan to meet on-the-water at 9:00 AM to get some early fishing reports. The original location is being changed, due to the predicted wind direction. We will meet on the south shore in the first bay east of Black Point, which is across the lake from Crawford's Bar.

We will meet for lunch at the *Williams Bay Pavilion* just west of the launch at about 1:30 PM. We've decided to BYO lunch and suggest you might order take out from **Harpoon Willy's** Menu Link - <http://harpoonwillies.com/wp-content/uploads/2017/05/HW-2016.pdf>. It's across the street from the Williams Bay Pavilion, has great food, and the owner is letting us park our rigs at their sister restaurant *Cafe Calamari*.

### Please let Bob or Jim know if you plan to fish.

You may park your boat on the sandy shore near there (especially if you plan to fish after lunch) or if you pull your rig off the lake we have permission to park your rigs in the *Cafe Calamari* parking lot, again just west of the launch and east of Hwy. 67 on the north side of the street. Individual vehicles can park in the Williams Bay parking lot.

Hope to see you there!
