**Doug Ide –
Guide Ide Inland Fishing Service
*PANFISH TECHNIQUES FOR
GENEVA LAKE***

Doug Ide has been guiding for 10 years. Doug guides open water, and on the ice, year-round on Geneva and many lakes in Southeast Wisconsin. Ide is a multi-species angler and guide with his favorite being panfish, but he also guides for bass, walleye, pike, trout, and muskie. Fish cleaning service is available for a fee.

During open water Doug uses a Lund 1875 Impact powered with a Mercury 150. Ide's other sponsors include Jerry's Sports, Okuma, Rippin Lips, Brother's Tackle Custom Rods, and Off Shore Tackle. You can also hear him on *Chauncey's Great Outdoors* at ESPN Chicago AM 1000 and *The Fishing Hole* on Iron Country Radio AM 1490 or FM 101.9. To learn more, check Doug's website guideidefishing.com or Facebook *Guide Ide Fishing Service* for more details.

Doug's presentation for this meeting will cover pan fishing techniques on Geneva for the early summer season. The pan fish population for some species is exploding on Geneva. This will be a perfect opportunity to hone your approach to be more successful and help you teach your children and grandkids how to have loads of fun catching gills, crappies, perch, and pumpkin seeds.

Club Meetings are on the 2nd Wednesdays of each Month, March - November
