Annual Award Banquet

Lake Geneva Fishing Club members will gather for their Annual Award Banquet. Many awards are given out for the annual fishing contest. Angler of the Year, biggest of each game fish species, and more.

Last year Jim Bloede narrowly won Angler of the Year. That's him in the photo with a 21 inch plus smallmouth bass he caught on a chilly day late in the season to pull out the win. The contest closes on October 31st. It will be exciting to learn who wins the Angler of the Year award for 2019 along with who wins for biggest lake trout, smallmouth bass, largemouth bass, walleye, northern pike, and muskie. There is no formal speaker.
