### **Captain Doug Kloet's Fishing Guide Service LATE SUMMER & EARLY FALL PATTERNS – MUSKIES AND OTHER GENEVA SPECIES**

Doug Kloet is a US Coast Guard Licensed Charter Captain. He has over 20 years of guiding experience on the highly pressured waters of S.E. Wisconsin and N.E. Illinois. Kloet concentrates on the waters of Geneva Lake, Fox Chain O'Lakes, Silver Lake, and Lake Michigan. While Doug specializes in muskies, he also guides for most species present on the lakes where he guides.

All guide trips include fishing out of a fully rigged Ranger boat with a Mercury outboard, Minn Kota trolling motor and Humminbird electronics. Each outing consists of using the finest equipment available from Frabill, Pure Fishing products and Cortland fishing line.

Musky Fishing Outings – will consist of catch and release fishing only providing clients with an educational day on the water. Captain Doug will cover casting and lure techniques, trolling, boat control and proper release practices.

Multi-Species Outings – will be in pursuit of brown trout, steelhead, lake trout, walleye, northern pike, bass and pan fish. Captain Doug will teach you jigging, live bait fishing and trolling techniques.

Kloet will be explaining his *Sudden Attack Sucker System* (Quick Strike) which he sells, along with other fall muskie tactics. Geneva is experiencing an exploding and fast growth muskie population, with 40 inch plus fish now common. You will have the opportunity to learn some traditional tactics for catching these beautiful monsters this fall. Doug will also include patterns to catch many other species on Geneva this fall.
