DAY ON THE LAKE

Note: Date, Time and Location Change

Big Foot Archers, Inc. | N960 Hillside Drive

Lake Geneva, WI. 53147

Club members and their guests will be fishing on Geneva during the day. To help ensure success during our outing we will be joined for the day by guide Sam Veith of ***Fishing for Good Foundation***. Our club has sponsored a guide trip for two veterans that will enjoy fishing with Veith. We will be able to meet and talk with the two veterans at the meeting and dinner. Sam will then be leading the fishing report discussion at our meeting following the meal.

This is our annual weekday *Day On The Lake* outing that we use to learn from one another. A large group of us are fishing the same lake at the same time which allows members, and their guests, to learn from one another. Each boat provides a report for the day describing their success (and struggles).

We learn what species were biting in terms of when, where, and what tactics and tackle were successful. Guests are encouraged to join us at the meeting to learn from our fishing reports. Learn more about Veith and his charity at fishingforgood.org.
