

The Lake Geneva Fishing Club is dedicated to promoting sport fishing for all species on Geneva Lake. We also encourage kids to fish, and the club sponsors an annual Kids Free Fishing Day as described on our Kids Day page. The club has outings throughout the open water season, including a “Learn the Lake Outing” for those not familiar with Geneva. We feature speakers that include veteran members, popular fishing guides, electronics experts, or other industry professionals.

Annual Member Awards Banquet

Lake Geneva Fishing Club members will gather for their Annual Award Banquet. Many awards are given out for the annual fishing contest: Angler of the Year, biggest of each game fish species, and more.

Contest Chair Bob Rice will be presenting several awards at this meeting. It will be exciting to learn who wins the Angler of the Year award for 2021 (Paul Beran was 2020 *ANGLER OF THE YEAR*) along with who wins for biggest lake trout, smallmouth bass, largemouth bass, walleye, northern pike, and muskie. We will look forward to hearing how the members achieved their success during the 2021 season. There will be no formal speaker.

Please check website for up-to-date information about the meeting due to Covid-19. Guests are welcome to join the meeting for a guest fee (\$5.00) plus the food cost for the banquet.
