CAPTAIN PHIL PISCITELLO

BORDERLINE FISHING GUIDE SERVICE

STRATEGIES FOR COLD WATER WALLEYES

Captain Phil Piscitello is a licensed charter captain and multi-species fishing guide. He has been guiding on Geneva Lake, Delavan Lake in Wisconsin, the Fox Chain O'Lakes in Illinois, and other area waters for over 30 years. He is a multi-species angler with experience on all five Great Lakes and many lakes, rivers, and reservoirs across the country.

He is an outdoor writer for MidWest Outdoors Magazine and a part-time employee at Bass Pro Shops in Gurnee. Piscitello is on the prostaff at Musky Tales in Antioch, St. Croix fishing rods, and Triangle Bait Shop in Antioch.

Phil has fished several tournaments both locally and throughout the Midwest region. He fishes the Northland and Mutiny Bass Tournaments as well as the Fox Chain O'Lakes Walleye tournaments. Over the years, Phil has also fished the PWT, MWC, and FLW walleye tournaments as well as the Sturgeon Bay Open Bass Tournament. His broadcast media credits include The Mike Jackson Radio Show, Chauncey's Great Outdoors Radio Show, Steve Sarley's Radio and TV Shows, and MidWest Outdoors TV.

Captain Phil will speak to our club members and guests about how to prepare and fish for cold water walleyes. As many anglers know, the Geneva walleyes population continues to grow. A few years ago, one rarely caught any daytime Walleyes, but there was a trophy walleye bite at night, especially in the winter, on Geneva. Due to several years of two stocking programs, people are now catching walleyes throughout the open water season. A broad range of sizes and greater numbers are being caught in the fall, and the trophy night bite seems to have improved over the last couple of years. The LGFC encourages catch-and-release of these trophies!

We look forward to learning some valuable strategies from Captain Phil. Check him out on Facebook at <https://www.facebook.com/pp02sb/about>.
