BOB NORDMEYER – BEN WATTS MARINA

PREPARING YOUR BOAT & TRAILER FOR WINTER STORAGE

AND OUR MEMBER'S ANNUAL AWARD BANQUET

Bob Nordmeyer has been in the boating industry since 1989. He has worked in sales, service, and marina management at Ben Watts Marina. He manages a 300-slip marina with a campground and is a certified technician. Bob has been fishing tournaments since 2007 and a tournament director since 2013, including the UMBCS and BWM Anglers tournaments.

Nordmeyer has been married to his wife Debbie for 32 years. They have two children, Brandon, and Karleigh, a daughter-in-law Lindsay, and a grandson Sutton. Bob loves to ride his Harley Davidson and fish in his free time.

Ben Watts Marina was opened in 1954 by the namesake and founder by renting small fishing boats. Today, the marina is still owned and operated by his 4th and 5th generations and has grown into a full-service marina on 17 acres of property in Fox Lake, IL on Fox Lake. During the summer season, they have over 300 slips, dry storage, in & out service, and a public boat launch. Both inside and outside storage are available during the winter months in addition to shrink wrapping, bottom washing, and winterization. Ben Watts is a Ranger Boats and Mercury Engines dealer, and they also offer a wide variety of pre-owned boats. They have a service department with Mercury master-certified technicians and stock Mercury OEM parts. Fox Chain O' Lakes Waterway stickers are available for sale for your convenience.

Bob will advise us on properly caring for your boat and trailer during our winter season storage. His many years of experience will be valuable to all who can attend. You can learn more at benwattsmarina.com or facebook.com/benwattsmarina.
