

**Wednesday, February 11<sup>th</sup> – 6:00 PM**

**Todd Berg – Former LGFC Member &  
Friends of the R. D. Pike Building  
MAJESTIC LAKE TROUT- FROM THE BAYFIELD  
FISH HATCHERY TO GENEVA LAKE**

Todd Berg is a former club member, former fishing guide on Geneva, excellent angler, and an avid outdoors person. Back when he was a club member, Todd was always sharing his knowledge about how to be successful catching the various species on our favorite local lake. He and Veronica relocated many years ago to northern Wisconsin to enjoy all the fishing, hunting, and other outdoor activities were at their back door.

Join us on February 11th for a unique look at the Lake Trout in Geneva and where they came from.

Berg is a founding member and actively involved and leads with “Friends of The R.D. Pike Building” not-for-profit organization. This organization is involved with the support of upgrading and enhancement of this historic hatchery. He will be giving a presentation on the fish, the numbers, their habits, and the history of the iconic 128-year-old building that raises them. We'll also learn about efforts to preserve and restore the facility that makes this all possible. This will be a different and incredibly fun evening blending fisheries and history!

Our members and guests will be able to learn more about this majestic species and the opportunity to learn valuable advice from Todd to increase their success in catching this most exciting fish.

**Wednesday, March 11<sup>th</sup> 6:00 PM**

**Jim O'Neil – MidWest Outdoors TV & Magazine
