**Captain Eric Esko –**

**Musky & Pike Dreamers Guide Service**

***SUMMER PATTERNS FOR GENEVA WALLEYES & MUSKIES***

Captain Eric Esko grew up fishing the waters of Southern Wisconsin. Since he can remember, he has been targeting fish with teeth, Muskies, Pike, and Walleyes. In 2012, Eric started selling musky bucktails, first on Etsy, then on his webpage and retail shelves.

In 2019, Esko decided to stop manufacturing musky bucktails and start guiding. He focuses on guiding Wisconsin inland waters, mostly Geneva Lake, for Muskies and Walleyes under PikeDreamers Guide Service. He

concentrates on proven tactics and builds his knowledge yearly to help his clients be successful catching fish. Every trip is customized to the client's experience and goals.

When the captain is not on the water, you can find him spending time with his 2-year-old daughter, wife, and two dogs or organizing thousands of his fishing lures. His knowledge is constantly growing and transforming because it is not just a hobby but a passion he wants to bring to his clients. You can learn more about Eric and his business at [pikedreamers.com/home](http://pikedreamers.com/home) or [facebook.com/Pikedreamers](https://facebook.com/Pikedreamers).

Eric's seminar will focus on depth, bait patterns, lure profiles, and tactics for catching summer walleyes and muskies on Geneva. This will be a valuable learning experience for members and guests to increase their success fishing for the growing population of these species that benefited from recent Geneva stocking programs.
